# WHY GO RECRUITMENT PRO?

## Here are some of the other valued services we provide as part of our recruitment partnership with you:

- Continuous up to date market knowledge on salary benchmarking, remuneration and benefits and analysis on how you compare in the market with competition
- EVP insights and up to date impartial information of your brand perception in the market from our candidate discussions
- Video interviewing of candidates on request – candidates can provide a quick introduction video for a great first impression
- Assistance with drafting position descriptions
- Videography services promoting your business to your target audience facilitated by our business \*additional fees apply
- Recruitment workshops- Interview Coaching with Hiring Managers on how to Attract and Interview staff
- Personality profiling included - how to hire the right fit for the role and profiling what attracts that candidate so we can build it in our strategy
- Coaching on boarding support- utilising our personality profiling tool to provide onboarding coaching to your new starter
- EVP session- a session with the management team to understand your EVP strategy and build a brochure to share with candidates in the hiring process
- Providing interview guides for roles- each position we provide a complimentary behavioural interview guide you can use for hiring the position
- Recruitment fortnightly catch ups, recruitment tracking tool and workforce planning assistance
